This press release is also available on the Internet at our website: www.skaugen.com.

I.M. Skaugen SE is a Norway based Marine Transportation Service Company, with a focus on Innovative Maritime Solutions. Our core business activity is to provide logistics solutions for seaborne regional distribution of liquefied gasses such as LNG, petrochemical gases, ethane as well as LPG.

The Skaugen Group of companies currently operates a fleet of 15 advanced gas carriers. In this fleet we have 6 innovative and unique vessels with the capacity to transport LNG in addition to petrochemical gases and LPG. We recruit, train and employ our own team of seafarers.

IMS employs approximately 500 team members globally and with nearly 30 nationalities represented. We manage and operate our activities and service our clients from our offices in Singapore, Oslo and Houston.
